

CXO - Chief Experience Officer

Duration: 5 Days

Language: en

Course Code: MG2 - 215

Objective

:Upon completing this course, participants will be able to

- .Understand the strategic scope of a CXO's role in modern organisations •
- .Map and analyse customer and user journeys for optimisation •
- .Align experience strategies with business and brand objectives •
- .Leverage data and feedback to drive continuous experience improvement •
- .Lead cross-functional teams toward integrated experience delivery •
- .Implement digital experience tools, platforms, and innovation models •
- .Measure experience outcomes using key CX metrics •

Audience

:This course is ideal for

- .Chief Experience Officers (CXOs) and aspiring CX leaders •
- .Heads of Customer Experience, Service Design, or User Research •
- .Senior managers in marketing, product, and digital transformation •
- .Executives overseeing brand, innovation, or user-centric strategy •
- .Consultants and professionals in experience management fields •

Training Methodology

The course combines interactive lectures, executive-level case studies, live experience mapping, and strategic analysis. Participants will engage in group discussions and practical tasks, culminating in a simulation-based workshop focused on solving experience-related challenges and presenting a customer experience roadmap.

Summary

This training course is designed to equip current and aspiring Chief Experience Officers (CXOs) with the skills to lead customer and user experience initiatives at an executive level. The course explores how experience leadership drives organisational growth, retention, and brand value by embedding user-centric strategies across every touchpoint. Participants will gain strategic insights into customer journey design, digital experience transformation, data-driven decision-making, and cross-functional alignment.

By the end of the course, participants will be able to create cohesive, high-impact experiences that align with business goals, foster loyalty, and differentiate their brand in competitive markets.
