

Customer Experience and Service Excellence in Food Beverage

Duration: 5 Days

Language: en

Course Code: IND10 - 119

Objective

:By the end of this course, participants will be able to

- .Understand the key principles of customer experience (CX) management in F&B settings
- .Apply service excellence frameworks to enhance satisfaction and loyalty
- .Design and implement service standards that reflect brand identity and culture
- .Manage complaints and service recovery effectively and empathetically
- .Foster a customer-centric culture through leadership and staff empowerment

Audience

:This course is ideal for

- .Restaurant Managers and F&B Supervisors
- .Hospitality and Service Quality Professionals
- .Customer Relations and Guest Experience Managers
- .Hotel and Resort Operations Leaders
- .Entrepreneurs and Business Owners in the F&B sector

Training Methodology

The course integrates interactive lectures, customer journey mapping, and scenario-based learning. Participants will engage in group discussions, role-play exercises, and service design activities to apply theoretical concepts in practical, real-world contexts

Summary

This comprehensive course is designed to equip hospitality and food service professionals with the knowledge, mindset, and skills to deliver exceptional customer experiences and world-class service standards across all areas of the Food & Beverage (F&B) industry

Participants will explore the psychology of customer satisfaction, the principles of service design, and the operational systems required to build loyalty and trust. The programme combines practical strategies for customer interaction, service recovery, and staff engagement with leadership insights that foster a culture of hospitality excellence

By the end of the course, participants will understand how to transform everyday customer interactions into memorable brand experiences that drive repeat business and long-term growth
