

Master the art of Training: Train the Trainer

Duration: 5 Days

Language: en

Course Code: MG2 - 233

Objective

:By the end of this training, the trainees will be able to

- .Describe the training cycle and the key traits of effective trainers
- .Conduct a comprehensive Training Needs Analysis (TNA) following proper steps
- .Formulate SMART learning objectives
- .Design a structured training program and detailed lesson plan
- .Apply adult learning principles to enhance training effectiveness
- .Create engaging learning content for both virtual and in-person settings
- .Integrate learning technologies effectively and appropriately
- .Facilitate interactive training sessions that reflect core training concepts
- .Explain the four levels of evaluation in the Kirkpatrick Model
- .Evaluate training impact at the learning level

Audience

:Ideal for

- .Anyone who would like to start a career in training

- .New trainers aiming to take their training many levels up
- .Educators & Facilitators who want to train or teach with impact and enjoyment
- .Managers & Team leaders who want to train their team members in their organizations
- .Learning and Development & HR professionals

Training Methodology

This course adopts a highly interactive and experiential learning approach designed to enhance both knowledge and practical skills. Participants will engage in a mix of trainer-led discussions, individual and group exercises, case studies, and real-life simulations to ensure active participation and retention.

Throughout the program, participants will work on mini-projects and practice presentations, allowing them to immediately apply newly acquired techniques and receive constructive feedback from peers and the facilitator.

Summary

Whether you're new to training or looking to enhance your skills, this program provides the tools to design and deliver impactful, engaging training. Learn effective methods for presenting material, engaging learners, and creating training solutions that drive real results. Become the trainer everyone wants to learn from and elevate your training sessions to the next level.
