- .Improve communication, delegation, and coordination under pressure •

Audience

:Ideal for

- .Executives, Directors & Senior Leaders •
- .(Executive Assistants (EAs) & Personal Assistants (PAs •
- .Chiefs of Staff & Office Managers •
- .Professionals supporting high-intensity executive environments •

Training Methodology

This programme uses real-life simulations, workflow analysis, practical planning templates, digital tool demonstrations, and structured reflection exercises to build lasting habits and systems

Summary

This specialised programme equips Executives and Executive Assistants with advanced techniques to manage time, priorities, and workload effectively in demanding organisational environments.

The course focuses on real-world tools and frameworks used by top-performing executive teams to enhance productivity, reduce overwhelm, and streamline decision-making. Participants will learn how to plan strategically, manage competing priorities—often under tight deadlines—and build high-efficiency workflows that support both executive objectives and operational stability.

By the end of this course, participants will work smarter, communicate priorities clearly, and establish systems that drive consistent, high-level performance.
