

# Strategic Human Resource Management & Organisational Excellence

**Duration:** 5 Days

**Language:** en

**Course Code:** PH1-131

## Objective

:Upon completion of this course, participants will be able to

- Develop strategic HR plans that align with organisational vision.
- Implement effective talent acquisition, retention, and development strategies.
  - Apply performance management systems to drive organisational success.
  - Use HR analytics to measure and improve HR outcomes.

## Audience

:This course is intended for

- HR professionals aiming to move into strategic roles.
- Organisational leaders interested in leveraging HR for business success.
  - Managers and directors looking to enhance their HR understanding.

## Training Methodology

The course employs a blended learning approach, combining interactive lectures, group discussions, and practical case studies to ensure a comprehensive understanding of strategic HR management. Participants will engage in hands-on activities, simulations, and role-playing exercises that mirror real-world HR challenges, fostering the practical application of theoretical concepts. Additionally, participants will have access to online resources, including articles, videos, and tools, to support their learning journey. This method ensures learners can immediately apply what they've learned to their workplace contexts, enhancing retention and impact.

## Summary

This course explores the strategic integration of human resources within organisational frameworks to enhance business performance. It is designed to equip HR professionals with the skills to align HR strategies with corporate goals, ensuring a sustainable competitive advantage.
